

sexual Harassment is Unlawful!

Shawnee Community College prohibits all forms of sex offenses and considers all such acts to be entirely unacceptable and unwarranted. Sex offenses are violations of the Illinois Criminal Code and are prosecutable as such. The College is committed to assisting in the prevention of sex offenses and is determined to apprehend, discipline, and prosecute violators.

WHAT IS SEXUAL HARASSMENT?

Unwelcome sexual advances request for sexual favors (i.e., quid-pro-quo) and other verbal and physical conduct of a sexual nature.

WHAT IS SEXUAL ASSAULT?

Sexual assault is any sexual act with another person without their knowledge or consent.

What to do if you are a victim of sexual assault

- ◆ **Get to a safe place.**
- ◆ **Talk to someone you trust.** Sexual Assault advocates are available through the Women's Center. The advocate can discuss your options and refer you to other services. All identifying information is confidential.
- ◆ **Preserve physical evidence.** If at all possible, do not bathe, change clothing, use the restroom, or brush your teeth. Collection of evidence is conducted at the various medical help facilities. (See lists on the back of this handout.)
- ◆ **Seek medical attention.** If you feel as though your life is in jeopardy or that your injuries are too severe for a medical help facility, call 911 immediately.
- ◆ **Seek counseling.** Sexual assault can be debilitating. Counseling is available at any of the healthcare facilities listed on the back of this handout.
- ◆ **Report the incident.** Students are encouraged to report incidents of sexual assault to the college and local law enforcement. Reporting is NOT a requirement, and students have the option to contact the Women's Center in Carbondale. Also, anonymous, confidential reporting is available by sending a report to college's Title IX Coordinator, Associate Coordinator, or Advocate without your contact information.
- ◆ **NOTE:** Retaliation against anyone who reports sexual harassment be it the victim or a bystander is strictly prohibited! Any retaliation against a person for filing a sexual misconduct charge or making a sexual misconduct complaint is also prohibited, and any person found to be retaliating against a student will also be subject to disciplinary action up to and including termination.

WHERE CAN I GET HELP?

Staff, faculty, and security officers of the college are mandated reporters, but if you want to speak to someone confidentially, you may contact a local healthcare facility or hospital.

2. Gather and review factual documents, including student records;

3. Make findings based upon the information gathered in interviews conducted, giving consideration to all factual information and the totality of the circumstances, including nature (verbal, physical or visual of the abuse of the context in which it occurred.

5. If a violation is found, prompt remedial action will be imposed on the accused commensurate with the severity of the offense;

6. Reasonable steps will be taken to protect the complainant from further misconduct and to protect the complainant from retaliation for making the complaint.

STEP 2

7. If the grievance is not resolved in Step 1, the complainant must, within seven calendar days of the Step 1 answer, submit a legibly written statement of the grievance and a copy to the Vice-President of Student Affairs to request a hearing. Notice of the date, time, and location of the disciplinary hearing, the right to have the disciplinary hearing closed to the public, and the right to request rescheduling of the hearing for good cause will be given; within
