The Board reserves the right to meet with faculty and employee groups to address issues not covered under the Illinois Education Labor Relations Act.

ARTICLE II

STATUS OF THE AGREEMENT

SECTION 2.1 RATIFICATION AND AMENDMENT

This Agreement shall become effective when ratified by the Board and Association and signed by authorized representatives thereof and may be amended or modified during its term only with mutual written consent of both parties.

SECTION 2.2 PRECEDENCE OF AGREEMENT

If there is any conflict between the terms of this Agreement or any individual contract of employment and any Board policies, rules and regulations which may be in effect from time to time, the terms of this Agreement, for its duration, shall be controlling.

SECTION 2.3 EXTERNAL LAW

If there is any conflict between the provisions of the Agreement and any legal obligations or affirmative action requirements imposed on the Board by federal or state law, such legal obligations or affirmative action requirements thus imposed shall be controlling on both the Board and the Association. It is mutually agreed that if either the Board or the Association determines that compliance with any provision of the Agreement would conflict with any provision of the law, the determining party shall give notice to the other party of the suspected conflict.

ARTICLE III

BOARD RIGHTS

It is understood and agreed that the Board possesses the sole right and authority to operate and direct the faculty and other employees of the College in all respects, including but not limited to, all rights and authority exercised by the Board prior to the execution of this Agreement, except as specifically limited in this Agreement. The authority and powers of the Board as prescribed by the Illinois Public Community College Act and all Statutes and Constitutions of the State of Illinois and the United States together with all other federal, state, county, district and local laws and regulations shall continue unaffected by this Agreement except as expressly limited by the express provisions of this Agreement. These rights include, but are not limited to, the following:

1. To determine the College's mission, objectives, policies, and budget and to determine and set all standards of service offered to the public;
2. To maintain executive management and administrative control of the District and its properties and facilities and the activities of its employees as related to the conduct of District affairs;
3. To delegate authority through recognized administrative channels for the development and organization of the means and methods of instruction and the performance of professional duties according to current Board policy or as the same may from time to time be amended, and to introduce new or improved methods, equipment, and facilities;
4. To establish, modify or eliminate programs, curriculums and/or courses of instruction, including special programs, and athletic, recreational and social events for students, to determine whether to provide or purchase goods and services, and to determine the methods, means, and number of personnel needed to carry out the College's mission, all as deemed necessary or advisable by the Board;
5. To hire all employees, and subject to provisions of law, to determine their qualifications, and the conditions of their continued employment, or their discipline, dismissal or demotion, and to evaluate, promote, tenure, transfer, and lay off all such employees.

The exercise of the foregoing powers, rights, authorities, duties and responsibilities by the Board, and the adoption of policies, rules, regulations and practices in the furtherance thereof, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the United States and of the State of Illinois.

No action, statement, agreement, settlement, or representation made by any member of the bargaining unit shall impose any obligation or duty or be considered to be authorized by or binding upon the Board unless and until the Board has agreed thereto in writing. Nothing in this article shall be construed to negate or limit any rights granted to the faculty or the association by law including not waiving any bargaining rights.

ARTICLE IV

ASSOCIATION-BOARD RELATIONS

SECTION 4.1 INFORMATION TO ASSOCIATION

The Board shall provide the Association with all information which relates to the Association's function as the exclusive bargaining representative for the faculty members. This information shall be furnished without charge to the Association upon reasonable written request. This provision and Section 4.8 hereafter, shall not apply to information which is exempt from disclosures under the Illinois Freedom of Information Act or other applicable State or Federal law, rule, or regulation. Nothing contained herein shall limit Association access to information necessary to function as the exclusive bargaining agent.

The Board shall provide the Association with bargaining unit member information, in a digital format within ten (10) calendar days of the start of the school year and every thirty (30) calendar days thereafter. The information must include employee's name, employee ID number (if applicable), job title, worksite, home address, and work phone number. It must also provide any personal phone numbers and personal email addresses on file with the employer. Additionally, the Board must provide the Association with an electronic file within 10 calendar days of hire of a new employee, the employee's name, date of hire, job title, work email address, and any personal email address on file with the employer.

(Public Act 101-0620, effective 12/20/19, amended 115 ILCS 5/3, Illinois Educational Labor Relations Act)

SECTION 4.2 PUBLIC REQUEST FOR INFORMATION

Unless required by law or pursuant to an order of a court or a directive from the Attorney General of Illinois, the Board shall not disclose the employee's home address (including zip code and county), date of birth, personal phone numbers, personal email address, Association membership status, and any authorization of dues deduction or union membership to outside agencies.

If the Board receives a request for any of the above information, it must notify the Association of the request and provide a copy of its response to the request within five (5) workdays of sending the response.

(Public Act 101-0620 amended 115 ILCS 5/3, Illinois Educational Labor Relations Act)

SECTION 4.3 NOTICE OF BOARD MEETINGS

The President of the Association and the Vice-President of the Association shall be given written/electronic notice of all regular or special meetings of the Board, together with a copy of the agenda and all supplements or statement of purpose of such meeting at least twenty-four (24) hours prior to the scheduled time of such meeting. One (1) copy of all Board minutes shall be given to the President and one copy to the Vice-President of the Association once the minutes have been prepared and officially approved by the Board.

SECTION 4.4 ASSOCIATION/ADMINISTRATIVE MEETINGS

Upon reasonable request of either party, the College President or his/her designees, the Vice-Presidents of the college or their designees, and the Association President and Vice-President or their designees, shall

meet at least once during each semester to discuss matters of mutual concern. The party requesting the meeting shall submit a written agenda of the items it wishes to discuss at least five (5) working days prior to the date of the meeting. Where appropriate, the College President or his/her designee may invite other members of the Administration to be present at such a meeting. This Section shall not apply to any matter that is the subject of a grievance that is being processed pursuant to the grievance procedure set forth in this Agreement, or that involves negotiations, or that is the subject of legal proceedings.

SECTION 4.5 USE OF THE COLLEGE FACILITIES

The Association shall have the right to hold meetings of its membership in approved College facilities, provided that such meetings do not interfere with instructional programs and any other previously scheduled activities. Such uses shall be previously scheduled with the appropriate administrative officer.

SECTION 4.6 ASSOCIATION-FACULTY COMMUNICATION

The Association shall have the right to use faculty mailboxes to disseminate relevant Association information or materials.

SECTION 4.7 POSTING OF NOTICES

The Association may post information on the bulletin board located in the faculty lounge. Only authorized representatives of the Association will use bulletin boards for Association announcements and all materials posted will relate only to the Association's official business.

SECTION 4.8 USE OF EQUIPMENT

The Association may use, with prior administrative permission, the college equipment which is essential for conducting Association/Administration business, provided said use shall not interfere with the instructional program of the College.

SECTION 4.9 FINANCIAL AND OTHER DATA

The Board shall provide the Association, in response to reasonable requests, a copy of regularly-prepared public information necessary for negotiations or the processing of a grievance, such as the current annual audit, the current tentative and adopted budgets, current annual financial report, and other relevant public information.

SECTION 4.10 NON-INTERRUPTION OF SERVICES AND WORK

During the term of this Agreement, neither the Association nor its officers or agents nor any of the faculty members covered by this Agreement will engage in, authorize, instigate, aid or participate in any strike, sympathy strike, secondary boycott, slow-down, or concerted refusal to work against the Board, regardless of the reasons for so doing. Association officers and representatives will urge faculty members who violate this Article to return to work.

SECTION 4.11 CONTRACT DISTRIBUTION

Within thirty (30) calendar days following ratification by both parties of this Agreement, the Board, through its designated administrators, shall provide copies of the Agreement to the Association to be distributed to the bargaining unit members as an editable document.

SECTION 4.12 RIGHT TO REPRESENTATION

Before conducting an investigatory interview of a faculty member which may reasonably be expected to result in disciplinary action against the faculty member, the faculty member may request that an Association representative be present.

Such interviews shall be commenced on weekdays between the hours of 9:00 a.m. and 3:00 p.m. If the employee requests an Association representative, the College Administrator shall either suspend the investigatory interview until an Association representative can be present or advise the faculty member that it will not proceed with the interview unless the faculty member is willing to enter the interview unaccompanied by a representative (in which case the Board may act on the basis of information obtained from other sources).

It is not the intent of the parties to convert investigatory interviews into adversarial proceedings. The role of the representative is to assist the faculty members. The representative may also attempt to clarify the facts or suggest other individuals who may have knowledge of them. The Board, through the Administration, retains the right to direct the faculty member to furnish his or her own account of the matter under question, uninterrupted by the Association representative, either orally or in writing at the faculty member's option. If the faculty member elects to furnish a written account, it must be accomplished within 10 working days.

Discipline of any member of the bargaining unit will be in accord with due process. An employee will be given notice prior to a hearing and will be given the opportunity to respond both in writing and at a hearing.

When any faculty member is required to appear before the Board or before any Board committee concerning any matter which could directly affect the continuation of that teacher in his/her employment or salary, the teacher shall be given forty-eight (48) hours prior notice, except in an emergency, of the reasons for such meeting or interview.

The appearance may be rescheduled one time in case of extenuating circumstances of the faculty member of the Board. The faculty member must notify the Board or Board committee by no later than 1 hour prior to the meeting or interview if rescheduling is required and the circumstances which warrant the rescheduling. If at any scheduled meeting or interview, unless continued, the faculty member fails to appear, the meeting or interview may proceed in such faculty member's absence. The Board or Board committee and faculty member may mutually agree to such additional continuances or rescheduling as they both mutually agree to in writing.

This section does not apply to such run-of-the-mill conversations as, for example, the giving of instructions, training, faculty evaluations or needed corrections of work techniques.

SECTION 4.12.1 NOTIFICATION OF STUDENT GRIEVANCE

In the event a student files a formal grievance against members, both tenured and non-tenured the college must notify the faculty member and provide a fair and thorough review of the grievance.

The specific policies and procedures for students issuing a grievance are detailed in the Shawnee Community College Board Policy, Section 8600A entitled, Grievance Procedure. Within this section, step-by-step instructions and timelines are explained for students issuing a grievance.

SECTION 4.13 PERSONNEL FILE

Each faculty member shall have the right, upon request, to review the contents of his/her own personnel file. Such review shall be available by appointment during normal office business hours but not including the times when faculty have teaching responsibilities. No faculty member shall remove any material from a personnel file; however, a faculty member shall have the right to a copy of material available to the faculty member under this section and to have such copies made by College personnel. A designated employee of the Board must be present when the faculty member examines his/her file. Confidential material, such as recommendations by colleges or universities, or evaluations or recommendations of a faculty member by a previous employer shall not be deemed to be a part of the faculty member's personnel file described in this section. Faculty shall be afforded an opportunity to have inserted in his file a written response or explanation to any material in his/her personnel file.

SECTION 4.14 VACANCIES AND PROMOTIONS

Human Resources shall notify faculty by email of all Shawnee Community College fulltime vacancies and promotional positions on the professional level. Notification will occur within seven working days. Such vacancies shall be posted on the college website and remain posted for at least two (2) weeks before the vacancy is filled. Notice of professional promotional qualifications and promotional positions shall be accompanied by a job description and statement of minimum qualifications.

SECTION 4.15 BOARD AGENDA

The faculty report will be placed on the agenda of the regular monthly Board meeting.

ARTICLE V

GRIEVANCE PROCEDURE

SECTION 5.1 DEFINITION

A grievance shall mean a complaint by a faculty member, a group of faculty members or the association that there has been a violation or misinterpretation or misapplication of the terms of this Agreement. Both parties expressly agree that any action taken by the Board concerning matters such as faculty discipline, suspension, and dismissal shall not be the subject of a grievance except for Board action which directly relates to the express terms of this Agreement.

SECTION 5.2 INFORMAL RESOLUTION

The parties (i.e. Vice President and faculty member) are encouraged to resolve through informal discussions any grievances as defined herein. Such informal discussions are not to be construed as a part of the grievance procedure.

SECTION 5.3 PROCEDURE

If such informal discussions do not lead to a satisfactory resolution of a grievance as defined herein, the grievance shall be processed according to the following procedure. The term "days" as used in the following procedure refers to days the College is open (i.e., when administrative offices are open), unless otherwise indicated.

FIRST STEP:

- (1) If the faculty member is unable to resolve a grievance informally, written statement of the grievance shall be prepared, signed, and delivered to the President of the College and the President of the Association, simultaneously within thirty (30) calendar days after the first event giving rise to the grievance. The written grievance shall specify the section or sections of this Agreement that are allegedly violated, misinterpreted, or misapplied, the full facts on which the grievance is based and the specific relief requested.
- (2) Within ten (10) working days after the written grievance is submitted, a meeting shall be held with the President or his/her designee to resolve the grievance at a time mutually agreed to by all parties concerned, including an Association representative if the faculty member specifically so requests.
- (3) The President of the College or his/her designee will answer the grievance in writing within ten (10) working days after such meeting.

SECOND STEP

- (1) If the Association is not satisfied with the decision at the First Step, the Association may refer the grievance to arbitration within thirty (30) calendar days after the decision is provided at the First Step, by written notice to the College President.
- (2) The parties shall request the Federal Mediation and Conciliation Service to submit a panel of five (5) arbitrators. The initial fee for requesting a panel of arbitrators will be the responsibility of the party requesting arbitration. Each party retains the right to reject one panel in its entirety and

request that a new panel be submitted. The party requesting the new panel will pay the fee associated with the request. Both the Association and the Board or the Board's designee shall have the right to strike two (2) names from the panel. Both the Association and the Board or the Board's designee representatives will meet to strike names from the panel within thirty (30) days of receipts of panel names. The party requesting arbitration shall strike the first two names; the other party shall then strike two names. The person remaining shall be the arbitrator.

- (3) The arbitrator shall be notified of his/her selection and shall be requested to set a time and place for the hearing, subject to the availability of Association and Board representatives or the Board's designee.
- (4) With the mutual consent of both parties, briefs may be submitted and a written transcript may be taken.
- (5) The arbitrator shall submit his/her recommendation in writing within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later. Subject to the agreement of both parties, the expedited arbitration procedure of the American Arbitration Association may be used.
- (6) More than one grievance may be submitted to the same arbitrator if both parties mutually agree in writing.
- (7) The fees and expenses of the arbitrator and the cost of a written transcript for the arbitrator shall be divided equally between the Board and the Association; provided, however, that each party shall be responsible for compensating its own representatives and witnesses, and purchasing its own copy of the written transcript.

SECTION 5.4 LIMITATION ON AUTHORITY OF ARBITRATOR

The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the question of fact as to whether there has been a violation, misinterpretation, or misapplication of the specific provisions of this Agreement based on the specific issue submitted to the arbitrator by the parties in writing. If no joint written stipulation of the issue is agreed to by the Board and Association, the arbitrator shall be empowered to determine the issue raised by the grievance. The decision of the arbitrator, if made in accordance with the jurisdiction and authority granted to the arbitrator pursuant to this Agreement, will be accepted as final by the Board, the Association, and the faculty member, and all parties will abide by it.

SECTION 5.5 TIME LIMITS

No grievance shall be entertained or processed unless it is submitted within thirty (30) calendar days after the first event giving rise to the grievance. If a grievance is not presented within the time limits set forth above, it shall be considered "waived", "denied" or otherwise "moot". If a grievance is not appealed to the next step within the specified time limit or an agreed extension thereof, it shall be considered settled on the basis of the Board's last answer. Failure at any step of this procedure to hold a meeting or communicate a decision on a grievance within the specified time or an agreed extension thereof shall permit the aggrieved party to treat the grievance as denied and to proceed immediately to the next step. The parties may by mutual agreement in writing extend any of the time limits set forth in this Article.

SECTION 5.6 SCHEDULE OF GRIEVANCE MEETINGS

Every effort shall be made to schedule the grievance meetings specified in the First and Second Steps at times which do not interfere with the teaching or other assigned duties of the faculty member whose presence is necessary at the particular meeting in question. If, however, a meeting is scheduled by the administration during a faculty member's class hours, the faculty member shall be released from class to attend the meeting without any loss of pay.

SECTION 5.7 RESOLUTION

The resolution of all grievances shall be granted to all members of the association for the duration of contract.

ARTICLE VI

CONDITIONS OF EMPLOYMENT

SECTION 6.1 HIRING POLICY

For full-time faculty positions a search committee shall consist of the Vice-President of Academic Affairs and Student Learning, and/or Dean of Academic Affairs, a representative from the Student Services division, the Director of Human Resources, the division chair, and two faculty members for the division. This structure may be modified to assure affirmative action guidelines are followed. The committee will come to a consensus on the top candidates for presentation to the Vice-President of Academic Affairs and Student Learning then to the President who will make the recommendation to the Board. The Board of Trustees reserves the right to make the final hiring decision.

SECTION 6.2 ACADEMIC FREEDOM

The Board and the Association recognize the value of protecting and encouraging the search for knowledge and its dissemination and recognizes its responsibility to protect the academic freedom of its faculty and students. Faculty members have both the right and obligation to investigate and to present to their students, based upon their professional judgment, available information related to the subject being taught. The course content must be consistent with objectives of the course as adopted by the Board. Faculty members shall seek to be accurate, show respect for the opinion of others, present all facets of controversial issues in an unbiased manner, identify their own personal persuasion on controversial issues where necessary to present an unbiased presentation on such issues, and indicate, where appropriate, that their views are not necessarily the views of the College.

SECTION 6.3 CONTINUING EDUCATION/LICENSURE REQUIREMENTS FOR FACULTY

Full-time faculty who are required to complete continuing education courses as a condition of maintaining licenses which are necessary to teach the courses to which they are assigned by the College will be reimbursed subject to the restrictions on money set aside in the professional development fund. This requires prior approval of the Vice-President of Academic Affairs and Student Learning. Reimbursement will include expenses related to courses, including tuition, fees, mileage (within the limits established under Section 10.2 (Mileage Reimbursement)), meals and lodging (within per diem limits established by Board policy).

Any faculty required to complete continuing education courses in relation to their employment will use the professional development funds allocated by the college in Section 10.91.1. Any funds beyond the amount in the professional development fund will have to be pre-approved by the Board before monies will be further devoted.

Full-time faculty who are required to hold a secondary license for clinical/instructional purposes will be reimbursed by the institution for the cost of the second licensure fee.

SECTION 6.4 OUTSIDE EMPLOYMENT

A full-time faculty member shall not undertake, contract for or accept anything of value in return for research or consulting services, nor shall he/she otherwise be self-employed nor employed by employers

other than the College, when such activity will interfere with the performance of College duties or be in competition with College activities or programs. If a faculty member desires outside employment teaching with another educational institution they must receive permission from the Vice-President of Academic Affairs and Student Learning every year.

SECTION 6.5 COLLEGE CALENDAR

The regular academic year (fall and spring semesters) shall not exceed 170 operational days, excluding holidays and official break periods. There shall be no more than 150 instructional days as required by ICCB, eight (8) final exam days, one (1) day for graduation, four (4) faculty professional development days, one (1) Shawnee Experience Day and one (1) assessment workshop day.

The four faculty professional development days will be held each fiscal year as follows: one day at the beginning of fall semester, one day at the beginning of the spring semester as indicated by the official calendar. Two days will be held each fiscal year to be mutually determined by the division chair and the Vice-President of Academic Affairs and Student Learning. The division chair shall submit a plan for the two days of professional development activities to the Vice-President of Academic Affairs and Student Learning for approval prior to the activities being held. In case of inclement weather or emergency cancellation, by the college President two (2) instructional days may be cancelled without affecting the college calendar. Thereafter, up to two additional cancelled instructional days shall be made up via rescheduling final exam days into instructional days. Any additional instructional days cancelled shall be made up by rescheduling official college breaks or holidays into instructional days.

The Association shall be given the opportunity to present to the Administration suggestions in regard to the college calendar prior to its presentation to the Board.

SECTION 6.6 FACULTY LOUNGE

An appropriate facility designated as a faculty lounge shall be provided. This facility will contain a microwave, bulletin board for disseminating information, telephone, refrigerator, coffee maker, and comfortable chairs.

SECTION 6.7 OFFICE HOURS

Faculty members shall submit their schedule of office hours to the appropriate division chair for approval before the submission to the office of the Vice-President of Academic Affairs and Student Learning. Upon approval, faculty shall post their office hours' schedule on or beside their office door and on the course syllabi.

Each faculty member shall post and maintain a minimum of ten (10) office hours each week. Faculty members may count a maximum of two hours each week as on-line (ie: "virtual office time"), but shall post and maintain eight (8) face-to-face office hours on-campus per week over a minimum of 4 days per week. Virtual office hours shall be included in the schedule of office hours. Virtual office hours shall also be placed on the online course website. Each faculty member shall make an effort to set up appointments during other hours to give help to those students whose free time does not correspond with the faculty member's scheduled office hours. Upon recommendation by the division chair and approval by the Vice-President of Academic Affairs and Student Learning, a faculty member may receive permission to adjust the office hour rule.

Faculty members teaching in programs where lab hours exceed credit hours for a course (ie: welding, cosmetology) may count some of their lab hours as office hours. However, each faculty member in these programs must post and maintain a minimum of six (6) face-to-face office hours which are not lab hours, irrespective of the number of lab hours assigned to such faculty member.

Faculty in a fully online program, must maintain ten (10) virtual face-to-face office hours to fulfill their professional responsibilities. Any change to office hours for a faculty member teaching in a fully online program may be amended upon agreement between the Vice-President of Academic Affairs and Student Learning and the SCEA President.

If a faculty member cannot be present during approved office hours, the faculty member must notify the office of the Vice-President of Academic Affairs and Student Learning and follow the procedures for sick/personal leave as outlined per section 7.1 and Section 7.2.

SECTION 6.7.1 FACULTY OFFICES

Every faculty member will be provided an office (private or shared with one other faculty member) and an updated, functional computer.

SECTION 6.8 SUMMER SCHOOL ASSIGNMENTS

Qualified full-time faculty who regularly teach a given class shall be given first consideration to teach that class if it is scheduled during the summer term. Faculty members employed on a nine-month contract shall not be required to teach summer school class. Every reasonable effort will be made to offer the class to the full-time faculty who regularly teach the class. Faculty must notify the Vice-President of Academic Affairs and Student Learning of their intention to teach summer classes no later than April 1.

SECTION 6.9 EVENING ON- AND OFF-CAMPUS CLASS ASSIGNMENTS

Except in instances in which evening on- and off-campus assignments are part of a full-time faculty member's regular load, qualified full-time faculty who regularly teach a given class shall be given first consideration to teach that class if it is scheduled during the evening at an on- or off-campus location. Every reasonable effort will be made to offer the class to full-time faculty who regularly teach the class.

SECTION 6.10 POLICY MANUAL

The Association shall be given the opportunity to present input through the Association Representatives, as part of the Shared Governance process, regarding proposed changes or additions to the Policy Manual. The Association agrees to abide by the Shawnee Community College Policy Manual and all amendments thereto in all areas not covered in this Agreement so long as it does not violate the specific terms and conditions of this contract. The Board shall provide each faculty member with access to the latest Board Policy Manual which will be maintained on the College's website.

SECTION 6.11 NOTICE OF CLASS ASSIGNMENT

Divisional chairs shall be responsible for completing and forwarding recommended class assignment forms to the Vice President of Academic Affairs for approval. Each faculty member shall receive a class assignment form listing courses and total semester hours assigned at least thirty (30) days prior to the first day of classes. Members of the faculty and the Vice-President of Academic Affairs and Student Learning

or his/her designee shall sign the assignment forms. Any modification of a faculty member's teaching assignment or course load will be communicated to the faculty member in writing within five (5) days of the change. A verification form listing courses and total semester hours taught will be sent to the faculty member one week after midterm reports are due.

SECTION 6.12

PROFESSIONAL CONDUCT

Outside the college domain, faculty members speak and write as citizens. The faculty member is a member of a learned profession, and while in College employ, a member of the educational institution. When he/she speaks or writes as a citizen, he/she should be free from institutional censorship or discipline, but his/her special position in the community imposes special obligations. As a person of learning and as a member of the educational community, he/she should remember that the public may judge his/her institution by his/her speech, words or writings. Hence, he/she should at all times be accurate, should exercise appropriate restraint, should show respect for the opinion of others, and must indicate that he/she is not an institutional spokesperson on behalf of Shawnee Community College. The exception would be faculty posting academic related initiatives or information.

ARTICLE VII

LEAVES

SECTION 7.1 SICK LEAVE

All full-time faculty shall accumulate sick leave at the rate of sixteen (16) days per year.

Sick leave shall be accumulated without limit, and, in accordance with applicable statutory provisions, unused sick leave shall be applied toward service credit for retirement under the State Universities Retirement System (SURS).

A faculty member shall notify his/her most immediate supervisor who is not a member of the bargaining unit as soon as possible when it is necessary to use accumulated sick leave days.

Sick leave shall be interpreted to mean personal illness, quarantine at home, or serious illness or death in the immediate family or household. The immediate family, for the purposes of this section, shall include the spouse, children, parents, sisters, brothers, grandparents, grandparents-in-law, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, and legal guardians.

The Board reserves the right to require a certification from a physician for the use of sick leave.

Each faculty member shall receive an updated accounting for their total number of unused sick leave days in the personnel section in Colleague. Absence from all of a faculty member's assigned duties for a particular day shall be counted as a full day of sick leave. Sick leave can be taken in one hour increments.

SECTION 7.2 PERSONAL LEAVE

Each academic or fiscal year, four (4) personal days will be granted and may be used for matters that cannot be handled during non-school days or hours. The four (4) personal leave days are in addition to the 16 sick leave days. Written application for such leave shall be made to the appropriate Vice-President or his/her designee without reasons stated at least two (2) instructional days prior to the desired onset of such leave, provided, in an emergency, such application may be made at a later time with an explanation of such an emergency. No more than two consecutive days can be used as personal leave. A Class Cancellation Form must be filled out along with a leave form. Any unused personal leave from prior years can be accumulated without limit and used only for paid leave during qualifying FMLA leave.

Personal leave may not be taken on Commencement day, Assessment Day, and In-Service Days or immediately preceding or following a vacation period, or the first five (5) working days of each semester, unless the faculty member receives permission from the faculty member's immediate supervisor who is not a member of the bargaining unit due to the existence of extraordinary or emergency circumstances.

Personal leave can be taken in one hour increments that require partial absence from a faculty member's assigned duties. However, if a faculty member is absent from all their assigned duties for the day then a full day of personal leave shall be taken.

SECTION 7.3 BEREAVEMENT LEAVE

The Board shall grant each faculty member two (2) bereavement days per fiscal year without loss of pay. Leave shall be non-cumulative. The leave is applicable to the immediate family of the faculty member as defined in Section 7.1. One day per year shall be allotted for non-immediate family as defined in Section 7.1.

SECTION 7.4 JURY DUTY

Faculty members subpoenaed as witnesses or as jurors in matters in which they have no personal or pecuniary interest shall receive time off with pay, provided that proper notice is given to their Vice-President as soon as possible after being subpoenaed. The faculty member will receive the difference between the daily rate of pay, provided the faculty member's daily rate of pay is more than received from court duty. Any expenses (mileage, meals, etc.) paid by the court to the faculty member shall be retained by the faculty member. Faculty members will return to their working assignments during workdays, or any portion thereof, when their presence is not required for the legal proceedings.

SECTION 7.5 UNPAID LEAVE OF ABSENCE

A leave of absence without pay for a period not to exceed one (1) year may be granted to a faculty member with at least three (3) years of consecutive full-time employment with Shawnee Community College for reasons which are deemed acceptable by the College Board. Such leaves may be granted for travel, professional study, parenting or other personal reasons.

(110 ILCS 805/3B-5) (from Ch. 122, par. 103B-5, Sec. 3B-5.) Reduction in Number of Faculty Members. If a dismissal of a faculty member for the ensuing school year results from the decision by the Board to decrease the number of faculty members employed by the Board or to discontinue some particular type of teaching service or program, notice shall be given the affected faculty member not later than 60 days before the end of the preceding school year, together with a statement of honorable dismissal and the reason therefore; provided that the employment of no tenured faculty member may be terminated under the provisions of this Section while any probationary faculty member, or any other employee with less seniority, is retained to render a service which the tenured employee is competent to render. In the event a tenured faculty member is not given notice within the time herein provided, he shall be deemed reemployed for the ensuing school year. Each board, unless otherwise provided in a collective bargaining agreement, shall each year establish a list, categorized by positions, showing the seniority of each faculty member for each position entailing services such faculty member is competent to render. Copies of the list shall be distributed to the exclusive employee representative on or before February 1 of each year. For the period of 24 months from the beginning of the school year for which the faculty member was dismissed, any faculty member shall have the preferred right to reappointment to a position entailing services he is competent to render prior to the appointment of any new faculty member; provided that no non-tenure faculty member or other employee with less seniority shall be employed to render a service which a tenured faculty member is competent to render. The determination by the Board of a faculty member's competence to render a particular teaching service or teaching program is conclusive. (Source: P.A. 86-501.)

Neither this section nor any matter relating to reduction in force shall be subject to the grievance and arbitration procedure set forth in this Agreement.

Any change to the current law shall become part of this agreement.

ARTICLE XI

ENTIRE AGREEMENT

This Agreement, upon ratification, supersedes all prior practices and agreements, whether written or oral, unless expressly stated to the contrary herein, and constitutes the complete and entire agreement between the parties, and concludes collective bargaining for the term as defined in Article XIII.

The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Board and the Association, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, including the impact of the Board's exercise of its rights as set forth herein on salaries, fringe benefits or terms and conditions of employment unless otherwise expressly hereafter stated to the contrary.

ARTICLE XII

SEPARABILITY

If the provisions of this Agreement, or any application of this Agreement to any bargaining unit member or to any group of bargaining unit members is held to be contrary to law, then such provision or application shall be deemed void and unenforceable, except to the extent permitted by law; but all other provisions or applications shall continue in full force and effect.

ARTICLE XIII

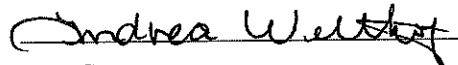

TERM OF AGREEMENT

This Agreement in its entirety shall be effective as of the 5th day of April, 2021 and shall remain in full force and effect until the completion of the 2022 session (which shall be defined to be 3:00 p.m. on the third calendar day after final grades are due at the end of the 2022 summer session.)

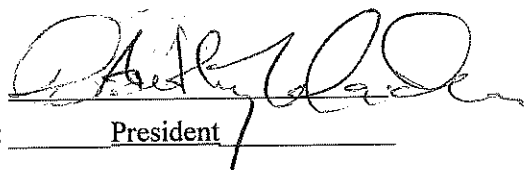

IN WITNESS WHEREOF, the parties hereunto have set their hands this 5th day of April, 2021.

The Board of Trustees of Shawnee College Community College ("Board") and the Shawnee College Education Association – IEA/NEA ("Association") enter into this memorandum as a means of memorializing these temporary changes to the duties and responsibilities of the Health Sciences/Allied Health Division Chair.
