Dr. Shelby participated in the meeting via Zoom (while attending a conference off-site) to announce that an instructor can teach dual-credit while on a Professional Development Plan. This plan is now more comprehensive and will contain verbiage from HLC and ICCB. The new Professional Development Plan begins 2023 through 2025 and the Governor has renewed the Act.

Dr. Price made a motion to accept the development of the plan with a second by Dr. Doerr. All members voted in favor and the motion carried.

VII. Review of Disposal of Surplus Equipment Procedure – Administrative Services Council

Carried over to August 4.

VIII. Review of Expressive Activity & Commercial Solicitation Procedure – Administrative Services Council

Carried over to August 4.

IX. Team/Committee Composition – Dr. Lisa Price

Dr. Price shared the number of committees that Dr. Doerr, Lindsay and Mindy are currently attending. The concern over the number of meetings per month is not unique to Student Affairs. This is a concern within Academic Affairs and Administrative Services.

Discussion centered around diversity within each team, blurred lines among similar teams and potential to combine hybrid teams, the number of meetings “Directors” have to attend, overall participation/non-participation which directly affects diversity and perspectives, etc. This concern will be brought to the President’s Cabinet.

X. Review of Remote Work Policy (Using Policy Review Tool) – Dr. April Teske & Rob Lucas

Carried over to August 4.

XI. Board-Ready Monitoring Reports, Executive Council Review – Dr. April Teske
Carried over to August 4.

XII. Branding Relationship to Strategic Plan – Kevin Hunsperger

Kevin sought feedback from the members present regarding branding, particularly the history behind Bernie and Bernadette. A remaining concern is with the character Bernadette, particularly among our female student athletes. It was also noted, that branding within our Centers is a mix of old, new and simply outdated.

Kevin will be addressing the banners on the light poles/Main Campus; overall branding at each Extension Center and establishing criteria for the use of Bernie on the athletic marketing versus the Shield for the business side.

A community survey is planned, hoping to use SmartEvals. Dr. Teske added that it is ideal to use ONE survey, capturing ALL data.

Overall, branding must be taken seriously and, be consistent. This concern will be further discussed with Dr. Taylor.

XIII. Review of Exit Interview Policy Statement – Emily Forthman

Carried over to August 4, however Dr. Teske had sent her feedback.

XIV. Adjournment

Jesse made a motion to adjourn the meeting at 11:25 am, with a second by Connie. All members voted in favor and the motion carried.

Next meeting will be held Monday, August 4, 2022 at 10am in the Founders Room & via Zoom.
