

# *Technology Team Minutes*

## *06.10.2022*

**Chair: Jonathan Van Meter**

### **Roll Call:**

|                                     |                     |                                     |                    |                                     |                |
|-------------------------------------|---------------------|-------------------------------------|--------------------|-------------------------------------|----------------|
| <input checked="" type="checkbox"/> | Jonathan Van Meter  | <input checked="" type="checkbox"/> | Rob Lucas          | <input checked="" type="checkbox"/> | Daniel Kineman |
| <input type="checkbox"/>            | Chris Clark         | <input type="checkbox"/>            | Christina Faulkner |                                     |                |
| <input checked="" type="checkbox"/> | Don Koch            | <input type="checkbox"/>            | David Black        |                                     |                |
| <input checked="" type="checkbox"/> | Dwayne Fehrenbacher | <input type="checkbox"/>            | Roberta Christie   |                                     |                |
| <input checked="" type="checkbox"/> | Russ Stoup          | <input type="checkbox"/>            | Tim Frizzell       |                                     |                |

The meeting was called to order at 2:01 p.m. The meeting started with approving the 5.18.22 minutes.

Jonathan Van Meter announced that the new I.T. Support Specialist, Tim Cornwell, would be joining the Technology Team next month.

### **Agenda Items**

Team members received a copy of the FY 2023 Tech Plan. Jonathan Van Meter invited members to review the plan and submit any corrections by next meeting.

Russ Stoup reported on the status of his ILP survey. Progress is currently paused potentially until Fall.

Jonathan Van Meter discussed the status of the Virtual ID project. Jonathan showcased the ID design and how the cloud management system works. A presentation explaining the system will be given at the 7.7.22 Executive Council Meeting.

### **New Business**

Rob Lucas talked about the implementation of SmartEvals, as well as piloting new orientation and testing software.

Russ Stoup laid out a schedule for the classroom PC upgrades.

Don Koch gave an update on the status of the classroom TV installations. He aimed to be finished by the end of July.

The meeting was adjourned at 2:25 p.m., motioned by Don Koch and seconded by Dan Kineman.
