Mike shared the draft version created by Dr. Teske with faculty and received some feedback. She doesn't mind if the faculty doesn't like what she shared, just thought it might be something to get started with. Faculty will be reviewing at an upcoming association meeting.

**viii. Please remember to attend the SBDC and Workforce Training Area Open House December 10<sup>th</sup>, 9:30a-3:3p.**

It's a come and go event. All college staff and faculty are encouraged to attend. This office has recently been revamped, and we would like to educate the college staff, faculty, and area businesses about what they will be doing. The idea is for it to be a one-stop-shop for all businesses. They can get continuing education services and further expand their educational opportunities within the community with aide from our faculty as well. Spread the word!

**V. Action**

**a. Remove A2000.10 and A2000.15 (Suspension from Clinical Experience for Unsafe Clinical Practice/or Violation of Healthcare Facility Rules, Regulators, or Policies) and move to Nursing Handbook.**

**b. Eliminate A2000.20 (Educational Guarantees) completely.**

Dr. Teske explained this used to be apart of a legislation. She has consulting with other CAO's and ICCB to confirm this no longer exists. A motion was made to remove A2000.20 by Dr. Shelby seconded by Mandy. All approved.

**c. Eliminate A2100.65 (Program Accreditation) completely.**

Blake and Dr. Teske explained this already exists in a policy and we don't need it in multiple places. A motion was made to remove A2100.65 by Dr. Shelby seconded by Mike. All Approved.
