#### **VI. Budget Update (explain capital equipment list)**

We are on track for our timeline. Dr. Teske is only waiting on one thing, Skill Grader, that AH/Nur wants to use and maybe CTE. Dr. Teske has until March 15 to make changes. She explained the equipment list and how it corresponds between divisions and departments and how it utilized in the budgeting process. Dr. Teske further explained how to identify the funding sources on the spreadsheet.

We do not budget for copiers, copier supplies, “community use” items, or whiteboards; these items go through administrative services.
