Agenda Items:

- I. Call to Order @ 2:04 p.m. by Dr. Teske**
- II. Approve Minutes of May 25, 2025 Meeting** A motion to accept the minutes as presented was made by Dr. Shelby and seconded by Sheryl.
- III. Additions to the Agenda**
- IV. Items for Discussion**
 Last year's the team compositions under AAC were AST, C&I, and SAAT. Dr. Teske found operating under that structure that we were duplicating actions. We did away with AST. This council will handle new innovative ideas and be like the think tank for Academic Affairs. We will go over our charge in detail at the next meeting. We just threw out the invite with members from both teams to see where we will go. We discussed which positions will be on the team and anyone else who may need to be involved.

- Elect a new Chair (Faculty/Lorena?) and Co-Chair (Staff)

Dr. Nicolaides volunteered to be the faculty chair being assisted by the staff chair of Rachael.

- Dual Credit Operating Standard (Betts)

The council reviewed and discussed the operating standard as presented. Teale reviewed the operating standards. The council recommended a few changes be made to enhance the OS.

A motion to approve the OS and present to Executive Council with the corrections was made by Sheryl and seconded by Danielle. All approved.

- ATOMAT student support plan (Muckler) – tabled.

V. New Business

Adjournment @ 3:05 A motion to adjourn was made by Sheryl and seconded by Dr. Nicolaides.
