The Administrative Services Council meeting has been rescheduled for December 15. IV.   **Transcript Policy Review – Mindy Reach**
       Changes included:
- Removing the language "it is the policy of the Board of Trustee (BOT).
- Rely on the actual definition by inserting the actual link.
- Strengthen the Value Statement by incorporating the Values indicated on our website.
- Add in "lifelong learning, attain, retain" language as part of the Value Statement.
- Under the "related laws" on the template, put in direct links.

V. **General Admissions Requirements (8150) – Mindy Reach**
Members discussed the following:
- Adding "preference given to District 531" within the policy statement
- Review overall, the value statement, by listing the actual value versus the value statement number.
- How do we apply equity to those who do apply?

DEI Council is to assign definitions to Diversity, Equity and Inclusion.

Darci made a motion to accept the changes as indicated above, with a second by Kevin. All members voted Yea, and the motion carried.

VI. **Review of Executive Policies – Jesse Smith-Fulia**
Dr. Taylor noted the Council does not have to review policy **4375** (Ethics Act) based on legislation putting mandatory training in place and no longer needing at the "local unit". The recommendation was made to delete. The Council also, does not have to review **4222** (Committee Structure) with the passing of the Shared Governance structure/manual.

4370 (Copying Copyrighted Materials) mostly contains procedures. Member discussion included:
- What does "the right way" need to look like?
- Copyright versus fair use (exemption is written into law).
- Have a checklist used for guidance.
- Procedure to include "how to request", etc.

Jesse made a motion with a second by Kevin to ask Cecilia to speak to this point as well as do research prior to writing any policy.

4373 (Administration of Freedom of Information Act) is straight procedure. Do we need to have an overall policy that simply states "we follow the law"?

Darci made a motion to assign this procedure to Tina, with a second by Mike. All members voted Yea and the motion passed. Darci then made a motion to amend to say the procedure is assigned to the Executive office. Jesse seconded the motion. All members voted Yea and the motion carried.

Policy 4260 (Institutional Research Policy on Survey Use) will be reviewed at our next Council meeting.

VII. Adjournment
